FOREWORD

This book is merely a collection of diversified facts which are to be found in a number of different places, and are collected together in this small volume in order to help you to become better acquainted with the history, traditions, and general life of the University of which you are to become a part.

We, the editors of the "M" book of the University, hope that the material that we have gathered may in some small way help you to acquire a better understanding of your new life here.

Of advice, you will find little, but what we do give we feel should be properly heeded in order that you may benefit by the mistakes that we who have gone before you have made.

You are now on your own, make the most of it, and in any difficulty that you may find yourself, the editors of this book stand ready to help you.

Make the most of these next four years, and beware of the most common malady of young collegians, Procrastination.

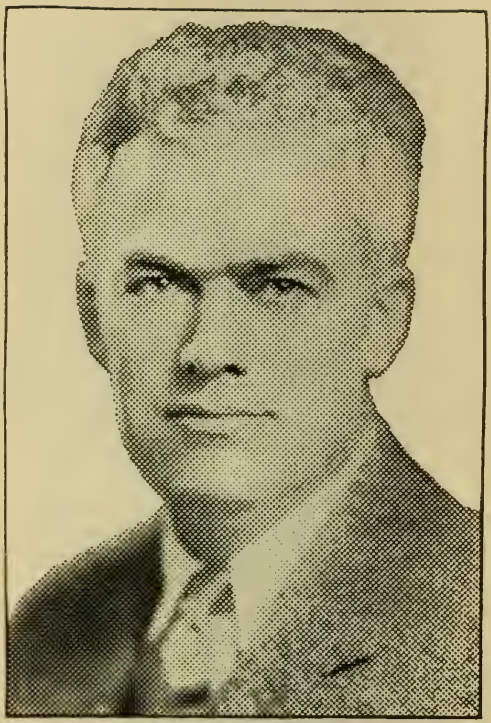
DEDICATION

We, the editors of the 1938-39 "M" Book, are proud to dedicate this year's edition to Frank K. "Hap" Haszard, friend and counsel of a long line of student publication editors.



DR. H. C. BYRD
President of the University

PRESIDENT'S MESSAGE

Dear Marylanders:

It is a pleasure to welcome to the campus this year both old students and newcomers. Old students know, with no need of welcoming words, that we are glad to see them back. It is to them that we look to help us welcome the newcomers, and to introduce the first year students to the other students, faculty, and to the University's traditions, so that the University may become in reality their home.

To the new students, we tell you we shall share with you all that we have. We are here to help you, whenever you feel that our help is needed. Do not hesitate to ask for help. We expect you to make such requests, and will be disappointed if you do not.

Personally and officially, my office door is open to you always. Come to see me whenever you can.

Sincerely,

H. C. BYRD, President.

DEAN ADELE H. STAMP

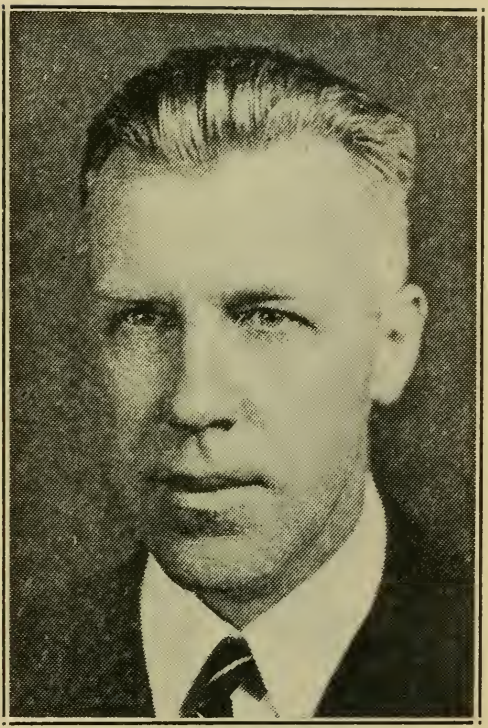
"M" BOOK GREETING FOR 1938-1939

TO ALL OF THE OLD STUDENTS AND TO ALL OF THE NEW STUDENTS GREETINGS:

A hearty welcome and friendship await you here from your colleagues and from your faculty. We hope that the years spent on our campus will be worthwhile ones and that you will go forth better prepared, because of your college training, to meet the problems facing the world today. A college career is not to be regarded lightly and you who are so fortunate as to have this opportunity should give of your best in every way. Lasting friendship will be formed, ideals will be cherished, and your pathway will be guided by wise counselling and sympathetic understanding. May your years here be rich and fruitful, and may they be happy ones . . . this is my earnest wish.

Sincerely yours,

ADELE H. STAMP, Dean of Women.



GEARY "SWEDE" EPPLEY
Dean of Men

To All Freshman Students:

We are glad to welcome you to our Campus, and we hope your stay with us will be a pleasant one.

My best advice to new students is to keep your work up to date. Most failures in college are due to procrastination. Do not let diversions enter when work needs to be done.

Many extra-curricular activities offer opportunities for you to develop your leadership ability. Join a few organizations and contribute your best to them. Have confidence in yourself and select your friends with care.

Do not hesitate to call on any of us when you feel we can help you. I, personally, shall always be glad to help you in any way that I can. Feel free to call on me, and I will be glad to have you come to my office and talk over your problems, or any problems of the University in which you are interested.

My best wishes to each of you in this new college year.

Sincerely,

GEARY EPPLEY, Dean of Men.

HISTORY

Perhaps the best and most graphic illustration of the remarkable progress the University of Maryland has made since its founding in 1807 is found on the College Park campus in the old Mechanical Engineering Building, the first building in the State devoted to the teaching of engineering. Erected in 1895, this building today forms a section only of the Engineering group, which includes a small auditorium, seating 250 persons, with other buildings to house electrical engineering, civil and mechanical engineering, their laboratories and equipment, and with the original building housing only a shop, and a few classrooms. The advances made since its construction in 1895 are commensurate with the progress of the entire University.

The present University of Maryland was, originally, two separate institutions, the University of Maryland, founded in 1807 under the name of the College of Medicine of Mary-

land, and the Maryland State College, founded in 1856 at College Park as the Maryland Agricultural College.

The College of Medicine of Maryland was first located at Lombard and Greene Streets, in Baltimore, and the building which was erected to house it in 1814-15 is the oldest structure in America devoted to the teaching of medicine.

In 1812, the General Assembly of Maryland authorized the College of Medicine of Maryland to "annex or constitute faculties of divinity, law, and arts and sciences," these to form an institution to be known as the University of Maryland. In 1813, a move was made to establish the "faculty of law," and, in 1823, a school of law was opened. Subsequently, a College of Dentistry, a School of Pharmacy, and a School of Nursing were added. The first-named is the oldest Dental College in the world.

In 1856 was established the Maryland Agricultural College, which later became the Land Grant College of Maryland. It was conducted for a number of years as a private institution, but financial disasters and the general depression which followed the Civil War made it necessary for the College to appeal to the State Legislature in 1866 for aassistance. In 1916 a new charter was granted to it as Maryland State College and the State took complete control. An act of the Legislature in 1920 united the old University of Maryland with the Maryland State College, to form the present University of Maryland with branches in Baltimore and College Park.

Five new buildings have been erected within the past three years and two more have just been completed. Enrollment since 1912 has jumped from 130 to 2,000.

Increased facilities are likewise noted in Baltimore, with a splendid new $1,500,000 hospital recently completed, a new law building opened two yeaars ago, and a new dentistry and pharmacy building but recently put into use. Enrollment in the Baltimore branch of the University averages about 1,600.

Plans were completed in 1937 for the University's $1,170,000 Building Program, which provides for the addition of four new buildings to the local campus and the remodeling and repairing of several others. Also included in the plans are a new men's dormitory, a general service building, a home economics building, and a new poultry building, at the College Park Branch. In addition, the infirmary, engineering, men's dormitory group, and the dairy buildings will be improved under the remodeling division of the program.

Two additional floors are planned for the new University Hospital at Baltimore; Dental and Pharmacy Schools are to receive much needed improvement.

Supplementing the above appropriation is a WPA grant of $1,135,000 obtained by President Byrd last spring. This grant brings the building fund to approximately the amount needed for the immediate building program. In addition to the above mentioned buildings, a Shop and Service Building, and four new greenhouses are to be erected.

ACADEMIC REGULATIONS

The Academic Regulations of the University may be obtained in pamphlet form from the Registrar's Office.

In addition to these regulations, rules governing the Reserve Officers' Training Unit and the Eligibility Code for Intercollegiate Athletics are also included.

It is advisable that you familiarize yourself with the contents of this pamphlet.

STUDENT PASTORS

Most of the major religious denominations at Maryland have Student Pastors who minister especially to the students of their denomination. The Student Pastors have an office in the Student Center, where each has his office hours during the week. The Baptist, Episcopalian, Presbyterian, and Lutheran students have denominational clubs which meet regularly during the year.

PARKING REGULATIONS

The Automobile Parking Regulations are for the purpose of protecting the appearance of our campus as well as for personal safety and convenience. These regulations, which have been in operation for several years, have been found very beneficial to our campus. The following are the regulations proposed by our Campus Parking Committee and approved by the Administration:

Automobiles MUST NOT be parked or STOPPED on any of the campus roads except to take on or discharge passengers. Hanging on cars is not permitted. Fast driving and rounding curves at a speed greater than fifteen (15) miles per hour is prohibited. Blowing horns in front of buildings disturbs class activities and is prohibited at all times. Driving off campus roads on grass is positively forbidden. **Students must not park in Visitors' Spaces located in front of the Agricultural building and new Library.**

University Lane has been made a through traffic boulevard and parking parallel therewith has been discontinued.

Automobiles are to be put in the parking field until owners are leaving the campus, and there is to be no cruising around the campus.

Spaces to be used by students for the parking of automobiles are:

Women: Parking area north of University Lane and adjacent to the walk leading to Gerneaux Hall, except spaces 200 to 240 inclusive and 272 to 310 inclusive. **Men students are not permitted to park in this area.**

Men: Parking area near Calvert and Silvester Halls, except spaces 482 to 499 inclusive. Parking area between the Gymnasium and Silvester Hall. Parking area at Gymnasium, except spaces marked "Reserved".

Maryland State Officers have been detailed to assist in maintaining these regulations, which are essential for maintenance of property, convenience, and personal safety. **Any student who fails to observe these regulations, may be deprived of the use of his car and driving privileges on the campus. continued violation may mean suspension from the University.**

The responsibility for parked automobiles rests with the car owner. For further information inquire at the Office of the Superintendent of Buildings and Grounds, Room 18, basement of Agricultural Building.

STUDENT GOVERNMENT ASSOCIATION

The Student Government Association of the University of Maryland is divided into several independent organizations. The Executive Council, which is the supreme governing body, has the power to establish the student policy and has final jurisdiction in all student governing questions. Campus regulations pertaining to both men and women are formulated and enforced by the Men's League and the Women's League respectively. A faculty committee appointed by the President of the University, and known as the Student Life Committee, supervises the work of all student governing groups.

The president of the Student Government Association, who holds the highest political office attainable on the campus, is elected by the student body in the spring. It is the duty of the president to supervise the work of all four organizations and to act as an ex-officio member.

The vice-president of the S. G. A. is chairman of the Executive Council, which enables the president of the association to act as a voting member and thus more adequately facilitate legislation and maintain the Parliamentary procedure.

Meetings of the organization which are closed to the public, are held twice a month or on special occasions at the direction of the president.

All student activities under the Association are financed by an activities fee of ten dollars which is paid upon entrance to the University. This fee is apportioned between the various activities so that admittance to all dramatic, debate, and operatic performances is free and all publications are distributed without charge to those who have paid the fee.

HANDLING OF FINANCES OF STUDENT ORGANIZATIONS

In the spring of 1930, the Student Government Association passed a resolution to charge each student a general activities fee of ten dollars ($10.00) per year, which fee included payment of his class dues and subscription to The Diamondback, The Old Line, and The Terrapin. In 1931 the Student Band, and the Footlight Club were added to this group, and each student receives in return tickets to two performances of the Footlight Club. Debate was added in 1933, and

further subsidized in 1934. A combined Glee Club was also added in 1934.

The money received is prorated among the aforementioned organizations, according to a percentage schedule arranged by the Student Government Association. The accounts of these organizations and all of the general student organizations, including The Rossbourg Club, Scabbard and Blade, and the Maryland Christian Association, are grouped in one account and are under the supervision of a Faculty Adviser, and the Assistant of Student Activities. At the beginning of each school year, each organization submits a budget for approval, and then writes an order for each expenditure to be made. This is checked against the budget items and, if sufficient funds are available, is approved by the Faculty Adviser. Various firms with which the students deal have been notified that the Student Government Association is not responsible for any contracted debts for which an order has not been issued. Any student or individual contracting debts without an order is personally responsible.

Records, which are always open for inspection, are kept at the Central Office for each organization. Besides, each organization treasurer keeps his own set of books, which serves as a check upon the Central Office. The bills are vouchered, and the accounts are audited by the State Auditor at the end of the year. In the first issue of The Diamondback of the school year a full statement is issued of all accounts handled by the Central Office during the previous year. A check, which eliminates a great deal of misunderstanding, is also maintained for the students upon the sale of tickets for such functions as those held by the Footlight Club, and the Rossbourg Club.

STUDENT PUBLICATIONS

Three student-edited and student-written publications—The Diamondback, semi-weekly newspaper; The Terrapin, year-book, and The Old Line, monthly comic magazine—are produced by University of Maryland undergraduates as official organs of the Student Government Association.

The staffs of each of these publications are composed of students from freshman, sophomore, junior and senior classes, with the editors chosen, except in unusual circumstances, from members of the latter group. These editors are chosen by popular election each spring from a group of candidates selected by the outgoing editors and the Faculty Advisor of Student Publications. Eligibility for positions is determined by length of service, ability, and freshman and sophomore staff records.

Shortly after registration, a meeting of candidates for Student Publications is held under the supervision of the editors and business managers, and questionnaires are issued to determine the type of publication and department in which the applicants wish to work. No previous experience is necessary to become members of a publications staff.

The Diamondback, semi-weekly newspaper, is published every Tuesday and Friday and contains complete University news and official bulletins with which every student should be familiar. Opportunities are afforded undergraduates to secure much valuable experience in advertising and editorial lines. The Terrapin is published in June and contains a complete record of the University work for the year, together with summaries of spring sports results—a feature almost unique in college annuals. The Old Line appears eight times each year.

Each undergraduate at Maryland is required to pay a blanket sum of $10.00 on the day of registration. This provides for a year's subscription to the Diamondback, the semi-weekly published every Tuesday and Friday during the school year; a year's subscription to the Old Line, monthly, published eight times during the school year, and The Terrapin, annual, which is issued about June 1st.

Major officers of the publications for the year 1938-39 are:

DRAMATICS

Hampered somewhat by mediocre staging facilities, the Footlight Club, principal organization of campus thespians, has produced a number of truly noteworthy plays during the past eight years.

Under the tutelage of Dr. Charles B. Hale, talented coach for more than a decade, the footlighters have staged successfully an average of two full length plays a year and a number of one-act performances and comedy skits. Last year, however, Dr. Hale was forced to resign his position as head of the play group, and the club was fortunate in securing Ralph I. Williams as successor.

During the past season, the Footlight presented four dramas in carrying on the fame of the group. These were "Petticoat Fever," "Night Must Fall," "The Night of January 16th," and "Outward Bound."

OPERA CLUB

Since its revival four years ago, the Opera Club, under the direction of Harlan Randall, musical director of the University, has produced several successful operettas among which are Victor Herbert's "Sweethearts," Rudolph Friml's "Vagabond King," and Herbert's "Mlle. Modiste." It is the custom of the club to stage an operetta for the student body each spring. The club has

made great progress this year, sponsoring a concert, which featured Geoffrey O'Hara, noted composed and lecturer.

GLEE CLUB AND WOMEN'S CHORUS

Year by year the Men's Glee Club and Women's Chorus have grown to be two of the most outstanding and important campus activities.

Under the direction of Professor Harlan Randall, Musical Director of the University, these two groups have expanded in the past year to a total of seventy-five voices in the mixed chorus. These groups gave two large concerts during the winter and in the spring the Glee Club went on a short tour. Try-outs are held at the beginning of the fall semester by Professor Harlan Randall.

DEBATE

Intercollegiate debating has been sponsored by the administration in recent years as it represents one of the most cultural and educational as well as practical phases of college life.

The Calvert Debate Club has achieved a high position in campus activities in the three years it has been organized. Professor Charles S. Richardson, head of the department of speech, is head of the committee of faculty advisers to the club. Schedules are arranged through the Student Activities Office. This year the men's team debated several times over the radio in addition to a northern tour. The women's team made a southern tour. Try-outs for the club from

whose members the debate teams are selected are held during the first month of school.

Y. W. C. A.

Beginning as the Women's Cabinet of the Maryland Christian Association, the Y. W. C. A. was organized at the University in 1930. It was not until last year that it functioned as an independent unit.

Officers and chairmen of the committees make up the cabinet which is the executive body of the association. Membership is open to women students interested in the work of the association.

Projects of the club consists of assisting during orientation, entertaining freshman girls at teas, donating baskets to the poor at Thanksgiving.

It also aids in S. G. A. relief drives and sponsor student-faculty teas, which were begun last year.

THE ROSSBOURG CLUB

The Rossbourg Club, founded in 1891, is Maryland's oldest and most prominent social organization. Its primary function is to give a number of informal dances, free to members. During the past few years it has shown very rapid growth, due principally to the fact that it has given the most successful dances Maryland has ever known.

CONCERNING FRATERNITIES

The aim and dream of many a freshman is to attain membership in a great collegiate fraternity. To many, this dream means luxury of living, a sense of superiority, a good time among "brothers," and a shining pin to show the home folks.

A fraternity or sorority should mean much more. It should mean closer companionship with other men or women with similar ideals who are pledged to raise the moral, educational, and social standards of the group.

In a few weeks many will have the opportunity to join one of these lodges. The opportunities for you to benefit from these affiliations are numerous, but please keep in mind:

That your decision will probably have more effect on your future life than any you have every made in the past.

That you are not an outcast if you do not receive the bid you wish, or any bid—you may be too intelligent instead of too backward to interest that particular organization.

That many of the potentially fine men have been completely buried in their fraternities.

That men in other fraternities may be worth cultivating or keeping as intimate friends. Some of your best friends in the Freshman Class will not be in your fraternity. Do not lose them.

That you are entitled to know the financial set-up of any fraternity that rushes you.

That it is neither any credit to you nor to a fraternity to obligate yourself before the official pledge day.

And that your success or failure does not rely on whether you make a fraternity or not, but on the initiative and perseverence you show in either situation. Some men are actually made by fraternal affiliation; others submerged or ruined. Choose your course carefully, remembering that after pledge day your battle to prove your real worth is only starting.

THE FRATERNITY CRITERIA

(This article is printed by request of the Interfraternity Council.)

The National Interfraternity Conference was founded in 1909 for the purpose of discussing questions of mutual interest and to make such recommendations from time to time as it deems wise. It is composed of sixty-four national fraternities which meet strict qualifications for membership. Its annual conferences are attended by about three hundred and fifty officers and alumni of the various fraternities and about fifty deans of men and college presidents. It sponsors the National Undergraduate Interfraternity Conference, composed of delegates from the Interfraternity Councils on campuses all over the United States and Canada, which meets in conjunction with the Conference itself. It publishes a Year Book, the report of its annual meeting, in which much valuable information about college fraternity life is included.

In the fall of 1934, the Executive Committee of the Conference and the Educational Advisory Council reduced to writing the following criteria in order further to advance co-operation between fraternities and educational institutions. The statement was subsequently approved by the American Association of Deans and Advisers of Men and by the Conference itself. It reads as follows:

> We consider the fraternity responsible for a positive contribution to the primary functions of the colleges and universities, and therefore under an obligation to encourage the most complete personal development of its members, intellectual, physical and social. Therefore, we declare:

1. That the objectives and activities of the fraternity should be in entire accord with the aims and purposes of the institutions at which it has chapters.

2. That the primary loyalty and responsibility of a student in his relations with his institution are to the institution, and that the association of any group of students as a chapter of a fraternity involves the definite responsibility of the group for the conduct of the individual.

3. That the fraternity should promote conduct consistent with good morals and good taste.

4. That the fraternity should create an atmosphere which will stimulate substantial intellectual progress and superior intellectual achievement.

5. That the fraternity should maintain sanitary, safe and wholesome physical conditions in the chapter house.

6. That the fraternity should inculcate principles of sound business practice both in chapter finances and in the business relations of its members.

These criteria should be applied in close co-operation with the administrative authorities of the institutions. Detailed methods of application will necessarily vary in accordance with local conditions. It is the purpose of the National Interfraternity Conference to offer detailed suggestions, after further study and investigation, regarding practical steps to make this co-operation effective.

INTRAMURAL SPORTS

Under the direction of Professor C. L. Mackert, Maryland's intramural sports program has expanded rapidly in the past several years. In order that a maximum number of students may participate in mural activities a widely diversified schedule of sports is followed.

In the fall of the year touch-football, soccer, tennis, and golf headline the list of activities pursued. When winter comes the intramural scene is shifted indoors and basketball, boxing, wrestling, and volleyball occupy the center of attention. With the first signs of spring the baseball leagues, and tennis and golf tournaments get underway. The annual track meet held in the middle of May is an outstanding feature of the intramural program. Last year over 500 students participated.

Besides the seasonal sports mentioned, year 'round interest is maintained in horseshoes, ping-pong, swimming and fencing.

As an added feature, extramural competitions are held several times each year between Maryland, Georgetown, and Catholic University.

WOMEN'S ATHLETIC ASSOCIATION

According to the constitution of the Women's Athletic Association, only its members are eligible for athletic awards. A freshman can obtain her numerals when she has obtained thirty-five points. After her freshman year, any member earning fifty points may receive her letter. A letter winner earning fifty additional points may get her blazer. Such a co-ed making another fifty points, is awarded a small gold jewelled "M" by the

"M" Club. Before either of the last two awards are given a candidate must be passed upon by the members of the "M" Club and the Executive Council of the Women's Athletic Association.

Hockey, basketball, volleyball, baseball, and soccer are the major sports. Membership on one of these teams counts ten points. Two extra points are given each member of the winning team.

The minor sports are as follows: Archery, tennis, tennequoits, and ping-pong. Horseback riding is also included in this group, but has slightly different requirements.

Exams for manager are given two weeks before the sport begins. One woman can be manager or assistant manager of only two sports.

SONGS AND YELLS

ALMA MATER

(Maryland! My Maryland!)

The sons and daughters throng thy door,
Maryland! My Maryland!
Their hearts and hopes they bring to thee,
Maryland! oh Maryland!
And place them in thy custody,
Proud hearts that pledge their love for thee:—
They come from mountain, farm and shore
Maryland University!

Go forth, brave youth, throughout the state:
Maryland! My Maryland!
And by your actions, show her great:
Maryland! Our Maryland!
Thy Alma Mater's name and fame,
Oh keep alive her holy flame,
Until all hearts as one exclaim,
Maryland! My Maryland!

Cheer, three times cheer, and one cheer more
For Maryland! Dear Maryland!
Send forth that cry from hill to shore:—
Maryland University!
Fair Mother of our brightest dreams,
Blest giver of life's precious things.
To thee each heart its service brings:—
Maryland! My Maryland!

REMEMBER THE "HELLO HABIT"

MY MARYLAND

The despot's heel is on thy shore,
Maryland! My Maryland!
His torch is at thy temple door,
Maryland! My Maryland!
Avenge the patriotic gore,
That flecked the streets of Baltimore,
And be the battle queen of yore
Maryland! My Maryland!

Thou wilt not cower in the dust,
Maryland! My Maryland!
Thy gleaming sword shall never rust
Maryland! My Maryland!
Remember Carroll's sacred trust,
Remember Howard's war-like thrust,
And all the slumb'rers with the just,
Maryland! My Maryland!

Maryland

In the very heart of Maryland,
In the heart of every Maryland man,
There's a spirit so endearing
It will win your heart and hand,
For she doth hold sway,
She will win the day,
And her glorious men will ever win the fray.

Chorus

Then it's Hurrah! Hurrah! for Maryland,
Then's it Hurrah! Hurrah for U. of M.
With her banners ever streaming high,
She will always win or die,
Never forget the glories of the past,
Carry on triumphant to the last,
For we love, we love Old Maryland,
Hurrah! Hurrah! Hurrah!

U. of M.

(Tune, Caisson Song)

U. of M., U. of M.,
Keep the ball away from them,
Keep that pigskin a-rolling along!
Up the field, down the field,
Not an inch of ground we'll yield,
Keep that pigskin a-rolling along!
Then it's Whiff! Wham! Whack!
Hear that Maryland quarterback
Shout out his signals loud and strong!
Where'er you go, you will always know
That the pigskin is rolling along.
(Shouted) Maryland! Maryland!
Keep that pigskin a-rolling along!

Sons of Maryland

(Tune, Sons of America)

Sons of the Gold
Sons of the Black,
Fight, No spirit lack.
Your Alma Mater
Needs you today.
To help win the fray.
Shoulder to shoulder,
Back to back.
We'll fight together
For the Gold and Black.
Fair Sons and Daughters
Of Maryland,
Upon you all vict'ries stand.

Chorus

Sons of Old Maryland,
Old Maryland needs you!
Stand by your colors, boys,
And to them e'er be true!

Fight for old Maryland,
Old Liners! Stand.
Defenders of the Black and Gold
Throughout this land.
Team! Team! Team!

Victory Song

Down on the field they're fighting.
Pride of the Black and Gold,
Men, every one of them,
Warriors of U. of M.
Our honor they'll uphold.
On toward the goal they're marching.
It will not take them long,
So, let's give a cheer,
For the men we hold dear,
And sing to them our Victory Song.

Chorus

Maryland, we're all behind you;
Wave high the Black and Gold,
For there is nothing half so glorious
As to see our men victorious;
We've got the team, boys,
We've got the steam, boys,
So keep on fighting, don't give in!
(Shout) M-A-R-Y-L-A-N-D!
(Sing) Maryland will win!

All Hail! to Our Maryland

Let us sing to Alma Mater
University of Maryland
Let us deck her o'er with glory,
With triumph and honor, hand in hand:

University of Maryland,
The college so dear to our hearts,
We'll cheer for the teams which are all so great.
Its praises ring, from State to State;
Along the well-worn trail of victory
Maryland will follow on and on,
And the colors in the lead,
Will be Black and Gold, indeed.
